

Position: Mathematics Resource Person
No of Posts: 4 (Four)
Location: Tulashikhar, Khowai District, Tripura

Centre for Microfinance and Livelihood (CML) is an Initiative of the Tata Trusts, imbibes the larger vision, values and goals of the Trusts, carrying along with it, its core competence in capacity building, linkage and facilitation. Education is one of the key intervention areas of CML which focuses on enhancing quality education in government schools by partnering with government and community. The programme addresses the key issues of learning outcomes in classrooms, development and use of teaching learning materials and teachers education.

About Education Programme

Education programme under Tripura State Initiative is jointly implemented by CML and Tata Trusts in Khowai District of Tripura. The state of Tripura has a large tribal population and culturally diverse demography. Though it has an adequate network of schools and a favorable teacher/student ratio in most schools, yet there is a need to improve academic quality. Government of Tripura in collaboration with CML-Tata Trusts has expressed interest in improving the quality education across all the existing government schools (99 schools, approx. 9000 students) in Tulasikhar block of Khowai district under the Tripura State Initiative, an umbrella programme with focused intervention in Dairy, Fisheries, Skill Development, Education, Health and Nutrition.

The Education Project aims to improve the learning levels of students belonging to classes I to X.
